## Coast Youth Soccer League News -- April 2010 --

[www.mendocoastsoccer.org](http://www.mendocoastsoccer.org)

Dear Soccer Families,

There is excitement in the air and in our soccer community--the anticipation of the start of the games. The voices of the fans raised in cheering on the players and applauding their efforts. Around the world people will set aside their differences this summer to come together for the love of a game, played between two teams, on a grass field, with one ball, that reflects the shape of our planet. This is a magical game that is played by more people than any other. This game we call soccer is the only game that has been responsible for the pausing of a war.

For those of us that have fallen in love with this beautiful game, we measure the passing of time with the players, teams, games, and seasons. Remembering when our now grown children took the field with jerseys that stretched to their knees. We now glance towards those parents and players who are at the beginning of their journey, creating their own memories of life reflected in this game.

2010 brings a connection between our small community and the rest of the world. This summer as we ready for our local season on the coast, our eyes will turn to South Africa where the FIFA men's World Cup tournament will be hosted.

These grown men representing their respective countries, not so long ago stood on a patch of grass, dirt, or street with a ball. As young boys they shared this game with the other children of their community.

Through the playing of this game they began to discover their passion for life. When our young coastal players gather together this summer and fall to experience this game applaud their play, their sportsmanship, and their dreams.

We are looking forward to a great year. **For the first time in five years, we are anticipating competitive teams for the girls U-12 and U-14.** The league will also be offering a USSF Referee course in May. There is no charge for this course. You need to be at least 12 years old sometime this year to take the course.

This summer we will offer a camp in July for all ages conducted by **UK International Soccer Camps**. Please send a separate payment for camps and the appropriate form for the camp selected in addition to the CYSL registration.

**Our monthly meetings for the league are held the first Thursday of each month at 7:00 pm at the Harbor Light Lodge in Fort Bragg.** Our league is a success because of your help.
